TC 1700

SECOND PRELIMINARY AMENDMENT

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

If any charges or fees must be paid in connection with the following communication, they may be paid out of our Deposit Account No. 25-0115.

Before initial examination, please amend the above-identified application as follows:

In the claims:

- 1 1. (Amended) A thermal decomposition apparatus for wastes
2 comprising:
3 a heating chamber for heating the wastes;
4 an inlet port for introducing the wastes into said heating chamber;
5 at least one pair of electrodes provided within said heating chamber;
6 a light emitting heater consisting of a plurality of balls which contain
7 carbon as a main ingredient, said light emitting heater being provided between said at
8 least one pair of electrodes so as to produce an electric discharge when a voltage is
9 applied across said at least one pair of electrodes; and
10 an outlet port for discharging [out of said heating chamber]
11 substantially harmless gases [into which the wastes are thermally decomposed] out of
12 said heating chamber;
